Scheduling Changes

The new Creative Arts and Technology Center has opened its doors and the Fine Arts Studio schedule is being adjusted to meet the needs of the three clubs that share the space. Some class schedules will change. All members will be notified via email as soon as the calendar revisions are complete.

Where Are the Easels and other FAQ.

Q: Why are there no easels in the Fine Arts Studio?

A: They are coming soon. Six easels that arrived with the rest of our furnishings were not the correct type for artists. These will be returned. In the interim, the club will begin to buy easels, both standing and desktop. Five new easels will be available this week.

Q: Where's my membership card?

A: The POA will supply membership cards in time for the February membership meeting. Please be sure to sign in whenever you attend classes or open studio. The monitor will show you the location of the sign-in sheet.

Q: I need more information on pretty much everything.

A: The website is your friend. Check QCFAPC.wordpress.com first. Emails can be sent club president, Debbie O'Rourke at QCFAPCpresident@gmail.com. Teachers for all classes can be contacted directly.

Q: When is the next membership meeting?

A: The next meeting will be held on Thursday, February 12th at 6:30 PM in the Fine Arts Room. PLEASE NOTE this is the first of our scheduling changes. Thursday evenings, not Wednesday evenings will become our new meeting night going forward.

Art Library

We are starting a library for club members. Do you have books to donate? Would you like to check out a book to learn more about art? The club is looking for a volunteer to help organize the library. Donations can be left in the fine arts room, on the shelves directly under the display windows, closest to the cabinets.

What Is Heart Art?

Starting February 1st, our two display cases will be filled with miniature paintings using hearts as a theme. Simply paint in any medium of your choice in a size that is 5 X 7, 6 X 6, or smaller. Donate your painting to the club and we will sell them at \$10 each as a fundraiser. All proceeds will go towards buying supplies for the club. Drop off your work at Open Studio between now and February 1. The display will last until Valentine's Day. One painting will be chosen at random to receive a prize at our February member meeting.

Come to Open Studio starting this week on Wednesday to paint hearts.

Studio Etiquette

Just a few reminders since we are all getting used to the Fine Arts Studio in our beautiful new building.

CELL PHONES

Please step out of the studio if you need to use your phone.

DROP CLOTHS AND EASELS

You are required to cover the floor with a drop cloth if using a standing easel. You are required to cover the table if using a desktop easel or the table surface. Drip shelves on easels should be protected with foil that is tossed at the end of your session.

SIGN IN

Everyone must sign in each time the room is used.

Pastel Studio

FREE for members. Starts 1/28.

Come and do pastels with club president, Debbie O'Rourke during Open Studio time on Wednesdays from 9-12. All levels welcome. Bring a photo from a vacation trip, any supplies you have, and a drop cloth. Have fun while working with other members.
